Calvin currently leads our firm's assurance practice and serves on our board of directors. He began his professional career with the HoganTaylor predecessor firm Tullius Taylor Sartain & Sartain in July 2000. During his professional tenure, he has provided assurance and business consulting services to a wide range of both publicly and privately-held clients in various industries including manufacturing, distribution, retail, technical and healthcare services, software, insurance, construction, oil and gas, employee benefit plans, and non-profit organizations.

Representative Experience

- Provided financial accounting consulting services to a nationally based donor advised fund in preparation of their annual financial statement audit.
- Assisted foundations and other nonprofits in implementing new accounting and reporting requirements for fair value of alternative investments.
- Managed annual audit engagements of a publicly-held company as it went through a cycle of significant business acquisitions.
- Performed leading and supporting roles on PCAOP engagements with public offerings.
- Consulted with clients about developing and modifying equity compensation plans.
- Led audit engagements of private equity fund portfolio companies through ownership life cycle.
- Helped a newly formed oil and gas industry client develop its consolidation schedules and financial statement presentation.
- Provided litigation support services as an insurance accounting expert.
- Led the firm's A&A technical team developing internal technical guidance and consulting with assurance engagement teams on accounting and auditing issues.
