Dana Schafer has more than 18 years of experience in public accounting, providing federal and state tax compliance, planning, and consulting services to individuals and businesses. She serves clients across a range of industries, including real estate, family investments, and professional services.

Prior to joining HoganTaylor, Dana was a Senior Tax Manager at a Top 100 accounting firm, where she worked with a diverse client base and developed deep experience in both compliance and advisory services.

Dana earned a Master of Accounting and a Bachelor of Business Administration from Texas A&M University.

Dana primarily works remotely from Dallas, Texas.
