Joe Frederick serves as a Consulting Executive with HoganTaylor's Client Accounting & Advisory Services team. With more than 30 years of experience, Joe brings extensive executive leadership experience across finance, logistics, and entrepreneurial ventures, with a strong focus on helping businesses improve operations, reduce costs, and drive growth. He has served in leadership roles spanning finance, business ownership, and advisory, working closely with organizations to solve operational and financial challenges.

Prior to joining HoganTaylor, Joe served as Chief Financial Officer of LNM Services, where he supported financial strategy and operations within the commercial construction industry.

Joe earned both his Bachelor of Science in Business Administration in Accounting and his Master's in Business Administration from the University of Arkansas.

Education

- Master's in Business Administration, University of Arkansas
- Bachelor of Science in Business Administration, Accounting, University of Arkansas
