John is an assurance partner at HoganTaylor and leads the firm's Construction practice. He is a CPA with more than 25 years of experience, providing assurance services to a variety of large and medium general contractors as well as subcontractors and specialty contractors.

Throughout his career, he has performed audits on a variety of public and privately held clients in a range of industries, including oil and gas exploration and production, oilfield service, large private foundations, and manufacturing.

Prior to joining HoganTaylor, John's public accounting career included time at two Big Four firms and a firm in North Texas.
