Kyle has more than 11 years of experience in tax services, providing service to clients ranging from large US multinationals to single-state small businesses across a wide range of industries such as retail, oil and gas, healthcare, telecommunications, and industrial manufacturing.

Kyle provides tax services through the entire lifecycle for businesses and individuals, including planning and consulting, accounting, compliance and controversy. He works closely with his clients to gain a deep understanding of their business and profile to provide exceptional value and proactive service. Kyle also has experience assisting many of his clients with tax impacts of a variety of M&A transactions, as well as internal reorganizations.

Prior to joining HoganTaylor, Kyle worked for Ernst & Young, LLP. Kyle is a licensed certified public accountant in Arkansas and Texas and earned a Master of Taxation from Baylor University.
