Nikki Thomas is a Tax Senior Manager and Certified Public Accountant (CPA) with several years of experience in individual, partnership, and corporate taxation. Her experience includes multi-state tax compliance and oil and gas taxation, where she supports clients in navigating complex regulatory requirements and identifying practical solutions to meet their tax obligations.

Prior to joining HoganTaylor, Nikki worked for a Top 100 accounting firm, where she gained experience serving clients across a variety of industries and further developed her technical tax expertise.

Nikki earned a Bachelor of Science in Accounting and a Master of Science in Accounting from Louisiana State University.
